A local adventure

Inspired by our own experience and passion for trying new and exciting wines, Cork Cellars is excited to bring you Central Oregon's first local wine club. There is no membership fee to join, and you may cancel your membership at any time.

Unlike a winery club or a national wine club, the Central Oregon Wine Club offers a club with local influence. Join now and experience:

- Wine selections varying from regional, national and from around the world.
- Local delivery.*
- A local resource to reorder wine club selections and/or purchase other unique and exciting wines.
- A monthly wine letter that tells the story behind your wine. Discover the story behind the grapes and what contributes to the wine's character and blend.

Give the gift of wine...

The wine club is a fantastic way to share the wine experience with family, a friend, co-worker, or neighbor. A unique gift, for something a little different, or to simply say thank you. Gift memberships are available for 2, 4, 6 month or 1-year. And, all gift members receive a gift card with their first month's wine selection.

Cheers,
