### **2005 MILBRANDT LEGACY SYRAH - \$25**

#### **WASHINGTON**

**From the Winery:** Syrah travels well. Setting out from its home in France's Northern Rhone Valley, this versatile variety has established new roots in Australia, California, South Africa, Chile, Argentina and WA State, where it is now the third most planted red variety. It could be the wind; it could be the arid climate; it could be the complex, low vigor soils of our vineyards. Whatever the reason, Syrah seems to produce wines of great character and depth when planted along Eastern Washington's Wahluke Slope.

**Tasting Notes:** Our 2005 Legacy Syrah is dense, rich, juicy and unabashedly varietal.

The wine is large-framed with ripe fruit and relatively soft tannins. The aromas are dominated by lavender, boysenberry, tobacco, blackberries, leather, coffee, vanilla and white pepper. The texture exhibits a broad lushness that is nicely supported by fine natural acidity and soft tannins.

# 2007 ST. INNOCENT PINOT BLANC - \$25

WILLAMETTE VALLEY, OREGON

**Tasting Notes:** The aromatics of the 2007 Pinot blanc are awesome. These is lovely clarity and brightness to sweet floral and tropical fruit notes. Layers of sweet stone and pomme fruit flavors move across your palate with hints of spice. It has a lovely mouth filling texture with flavors that linger well into the finish. This vintage finished completely dry.

**Serving Suggestions:** It matches extremely well with shellfish and fatty fish dishes. It is especially good with mussels and tuna tartar.
